**PATRONAGE
BROCHURE**

Outreach Partner

Signature Sponsor

SPACE is a premier interdisciplinary conference bringing together experts, engineers, and researchers from the space, aerospace, and defence sectors to share cutting-edge research, explore innovations, and address key technical challenges. The program features keynote talks, technical sessions, workshops, and panel discussions, fostering collaboration and cross-domain impact.

Program Highlights

- Present your research at a reputed IEEE conference
- Engage with experts from industry, academia, and government organisations
- Gain insights into emerging technologies and best practices
- Build professional networks and collaborative partnerships
- Contribute to shaping the future of Space, Aerospace, and Defence technologies

REASONS YOU SHOULD TAKE PART IN **IEEE SPACE CONFERENCE 2026**

GROW YOUR AUDIENCE

Expand your reach by cultivating new business to a wide range of international computing and research professionals and students.

INCREASE BRAND AWARENESS

Position your company as a leader in the growing field of future networks.

NETWORK

Make new connections through in-person and interactive virtual meetings, discussions, and demonstrations.

RECRUIT TALENT

Showcase your company and meet potential new employees who are passionate about future networks including 5G, 6G, AI, security, and IoT.

**BENEFITS OF
PARTICIPATION**

WHO SHOULD ATTENDS

This conference is ideal for professionals, researchers, policymakers, and industry leaders working across the space, aerospace, defence, and advanced technology ecosystem.

Industry & Corporate

- Space, Aerospace & Defence Industry Professionals
- System Engineers, Design Engineers & R&D Specialists
- Satellite, Avionics, Radar & Electronic Warfare Experts
- AI, Cybersecurity & Emerging Technology Professionals
- Startups & Technology Solution Providers
- Product Managers & Innovation Leaders

Government & Defence

- Defence Organizations & Armed Forces
- Government Agencies & Public Sector Units
- Policy Makers & Strategic Planners
- DRDO, ISRO & Allied Research Bodies
- Homeland Security & Strategic Infrastructure Authorities

Academia & Research

- Researchers, Scientists & Faculty Members
- PhD Scholars, Postgraduate & Final-Year Undergraduate Students
- Academic Institutions & Research Laboratories
- IEEE Members & Technical Society Affiliates

Leadership & Decision Makers

- CXOs, CTOs, CIOs & Technical Directors
- Program Managers & Project Leads
- Procurement & Business Development Heads

Future Professionals

- Young Professionals & Early-Career Engineers
- Students Interested in Space, Defence & Advanced Systems
- Innovation & Entrepreneurship Enthusiasts
